Although his term is fixed and shall not break due to this retirement. The Board of the Directors of the Company recommends his reappointment.

10. The relevant details, pursuant to Regulations 36(3) of the Listing Regulations and Secretarial Standards -2 on General Meetings issued by the Institute of

Company Secretaries of India, in respect of Directors seeking re-appointment/retire by rotation at the AGM are provided as an annexure to the Notice forms integral part of this notice. Requisite declarations have been received from Director/s for seeking re-appointment

11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Further, as per SEBI Circular dated April 20, 2018 all securities holders holding securities in physical form should submit their PAN and Bank account details to the RTA.

12. Members who hold shares in dematerialized form and want to provide/change/correct the bank account details should send the same immediately to their concerned Depository Participant(s) and not to the Company. Members are also requested to give the MICR Code of their bank to their Depository Participant(s). The Company will not entertain any direct request from such Members for change of address, transposition of names, deletion of name of deceased joint holder and change in the bank account details.

13. Members who are holding shares in physical form are advised to submit particulars of their PAN details, e-mail address, Mobile Number, bank account, viz. name and address of the branch of the bank, MICR code of the branch, type of account and account number etc. to our Registrar and Share Transfer Agent in prescribed Form ISR-1 quoting their folio number and enclosing the self-attested supporting document and other forms pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021. Members holding shares in electronic form are requested to submit the details to their respective DP only and not to the Company or RTA.

14. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website www.midindiaindustries.com and on the website of the Company's Registrar and Transfer Agents <http://ankitonline.com>. It may be noted that any service request can be processed only after the folio is KYC Compliant.

15. SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.

16. As per the provisions of Section 72 of the Act, the facility for making a nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nominations are requested to register the same by submitting Form No. SH-13. If a Member desires to cancel the earlier nomination and record a fresh nomination, he may submit the same in Form SH-14. Members who are either not desiring to register Nomination or would want to opt out, are requested to fill and submit Form No. ISR-3. The said forms can be downloaded from the RTA website at <http://ankitonline.com>. Members are requested to submit the said form to their DP in case the shares are held in electronic form and to the RTA in case the shares are held in physical form, quoting their folio no.

17. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.

18. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their Demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.

19. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.

20. Members desirous of obtaining any information concerning to the accounts and operations of the Company are requested to send their queries to the Company Secretary at least 7 (seven days) before the date of the meeting so that the required information can be made available at the meeting.

24. **Webcast:** Members who are entitled to participate in the AGM can view the proceedings of AGM by logging in the website of CDSL at www.evotingindia.com using the login credentials.

25. The Company has appointed Mr. L.N. Joshi, Practicing Company Secretary (Membership No. FCS-5201; CP No.4216) to act as the scrutinizer for conducting the remote e-voting process as well as the e-voting during AGM (insta poll), in a fair and transparent manner.

26. The voting rights of Shareholders shall be in proportion of shares held by them to the total paid up equity shares of the company as on Saturday 27th August, 2022, being the cut-off date.

27. A person who is not a Member as on Saturday 27th August, 2022 should treat this Notice for information purposes only.

28. A person who has acquired the shares and has become a member of the Company after dispatch of notice of AGM and prior to the Cut-off date i.e. Saturday 27th August, 2022 shall be entitled to exercise his/her vote either electronically i.e. remote e-voting or e-voting during AGM (insta poll) following the procedure mentioned in this Notice.

29. The recorded transcript of the forthcoming AGM shall also be made available on the website of the Company - www.midindiaindustries.com as soon as possible after the Meeting is over.

30. The procedure for joining the AGM through VC/OAVM is mentioned in this Notice. Since the AGM will be held through VC/OAVM, the route map is not annexed in this Notice.

31. In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and any amendments thereto, Secretarial Standard on General Meetings (“SS-2”), Regulation 44 of the SEBI Listing Regulations and MCA Circulars, the facility for remote e-voting and e-voting in respect of the businesses to be transacted at the AGM is being provided by the Company through Central Depository Services (India) Limited (“CDSL”). Necessary arrangements have been made by the Company with CDSL to facilitate remote e-voting and e-voting during the AGM.

32. THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND EVOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

(i) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

(ii) The voting period begins on Wednesday 31st August, 2022 from 9.00 A.M. and ends on Friday, 02nd September, 2022 at 5.00 P.M. During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Saturday 27th August, 2022, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(iii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iv) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(v) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

After experiencing a difficult period due to the Covid-19 pandemic, strong macro indicators suggest a rebound, primarily on account of favourable fiscal and monetary policies. Emphasis on improving healthcare has also aided the crisis response. In FY22, GDP growth is expected to be 9.2%, reiterating the country's status as one of the fastest-growing major economies in the world.

Despite subsequent waves of the pandemic, economic activity has rebounded significantly from the lows of 2020. With the introduction of economic reforms and favourable policy support, the effects of the pandemic have been appropriately mitigated. Structural reforms like the National Infrastructure Pipeline and National Monetization Plan have been implemented by the government to boost infrastructure development. It has paved the path for further development and continues to encourage projects across sectors, including reforms for improving labour laws.

During the Financial year under review, Company has started trading in heavy plant machinery and spare parts business and could achieved higher turnover after long time and Board expect to maintain the same in coming fiscal years.

OPPORTUNITIES AND THREATS

The Company is operating in trading activities in plant and machineries and also leased out the existing plant to recover minimum bearing expenses. Trading business are becoming more and more competitive and the margins in this continue to be under pressure. Further there is a good opportunity to import and export the plant and machineries required for industry and others. The Board feels this business is high growth area. The long term prospects for Indian economy remains bright owing to the growth of internal consumption driven by the country's demographic dividend, rapid urbanization, growth of manufacturing and infrastructure development. The overall business sentiments in the country have turned positive after the stable government at the centre; however it is imperative to translate these sentiments into actions to create real gains for the economy. All programs must be implemented with desired speed to continue attracting capital investments and drive growth. Your Company continues to achieve this by focusing on trading division.

INDUSTRY OUTLOOK

While economy recovery is expected in 2021, and if some of the forecasts hold true, India will become the fastest growing large economy of the world in the coming years. Government initiatives such as 'Make in India' coupled with the new governance regime will boost confidence of global investors and act as a catalyst for overall growth of the industry. The growth momentum in India is expected to be driven by focused spending on development projects in the form of increased public spending on infrastructure development. This will become the engine for driving several sectors of economy and lead increased industrial activity. A continuously moderating inflation and a growth driving monetary policy coupled with improved purchasing power of an increasing middle class will further aid revival of domestic demand in turn leading to growth. Falling rural incomes and volatility in domestic monetary and fiscal conditions due to global changes may adversely impact the growth. Your company's ability to work closely with customers will enable it to counter threats from competition as well as strengthen the ability to create value proposition for customers. Further, the foreign source and several of them making India their sourcing hubs, overall growth prospects of the industry looks better.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying Ind AS financial statements of **MID INDIA INDUSTRIES LIMITED** ("the Company"), which comprise of the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including statement of other comprehensive incomes), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, notes to the Ind AS financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS Financial statements in accordance with the Standards on Auditing (Sas) specified under section 143 (10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India to get her with the ethical requirements that are relevant to our audit of the financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Ind AS financial statement.

Emphasis of Matter

The accumulated losses of the company have wiped off the book value of net worth of the company. However in the opinion of management the going concern of the company is still intact and has not got defeated, as the fair market value of land exist in the financial statement of company is more than sufficient to mitigate the liabilities of the company and moreover the company has leased out the manufacturing facility of company's unit with Plant & machinery and civil construction thereon for usually carrying on manufacturing activities during the financial year also. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereupon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Ind AS financial statements and our auditor's report thereon. Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of Ind AS financial statements, our responsibility is to read the other information and in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Ind As financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company and other financial information in accordance the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with relevant rules issued hereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the IND AS financial statements, the Management are responsible for assessing the Company's ability to continue as a going

concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material statement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain Professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. Under section 143(3)

(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Act, we give in the "**Annexure-A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

Subject to the limitations of the audit indicated in paragraphs Key Audit matter and also subject to the limitations of disclosure required therein, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

(e) On the basis of the written representation received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B" to this report.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its notes to the financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - a. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - b. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv)(a) and (iv)(b) contain any material mis-statement.
- v. No Dividend is declared or paid by the company during the year.

(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank)

Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

(xvii) The company has not incurred cash losses in the current financial year and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. However, since tenure of 5 years of the previous Statutory Auditors of the company was expired, M/s. A T M & Associates, Chartered Accountants, Indore (Firm Registration No. 017397C) were appointed as Statutory Auditors of the company for next 5 years.

(xix) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as on the date of the audit report that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company,

(a) there was no such unspent amount to be transferred to fund specified in Schedule VII to the Companies Act. Accordingly, paragraph 3(xx)(a) of the Order is not applicable.

(b) there was no such amount remaining unspent under sub-section (5) of section 135 of the Companies act, 2013 to be transferred to special account under sub-section (6) of section 135 of the said act. Accordingly, paragraph 3(xx)(b) of the Order is not applicable.

(xxi) Paragraph 3(xxi)(b) of the Order is not applicable.

(xxii) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

(xxiii) The company has not granted any unsecured loans to any person covered in the register maintained under Section 189 of the Companies Act, 2013 ("the Act") during the year. However, out of loan granted in previous year, loan amounting to Rs. 30000/- (Previous Year outstanding) to the company secretary has been paid during the year.

“Annexure B” to the Auditor’s Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Mid India Industries Limited, (“the Company”), as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material mis statement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls with Reference to these Ind AS Financial Statements:

A company’s internal financial control with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to these Ind AS financial statements includes those policies and procedures that:

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an

adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes annexed to and forming part of the Standalone financial statements

1 General Information

A. Corporate Information

Mid India Industries Limited ('the Company') is a public limited company incorporated and domiciled in India and is engaged in Lease and Trading business. The registered office of the Company is situated at Textile Mill Area, Station Road, Mandsaar (M.P.) -458 001. However With effect from February 2019 onwards company has entered into a lease agreement for its Plant and Machinery. The company is listed on the BSE Limited.

B. Statement of compliance with Ind AS

These standalone financial statements ('financial statements') of the Company have been prepared in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented including the comparative period information as at and for the year ended March 31, 2021 in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

C. Basis of preparation and presentation

The Standalone financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:-

- 1) Certain financial assets and liabilities that are measured at fair value;
- 2) Defined benefit plans - plan assets measured at fair value;

Historical cost measures provide monetary information about assets, liabilities and related income and expenses, using information derived, at least in part, from the price of the transaction or other event that gave rise to them. Unlike current value, historical cost does not reflect changes in values, except to the extent that those changes relate to impairment of an asset or a liability becoming onerous.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:-

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The financial statements are presented in Indian Rupees (Rs. in thousands) which is the functional currency of the Company. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act. The figures were taken in financial data in thousands (000) and accordingly rounded off to decimal in two digits.

2 Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the financial statements are given below. These accounting policies have been applied consistently to all the periods presented in the financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(A) Property Plant and Equipment:

i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the de-recognition principles.

iii) Depreciation on property, plant and equipment is provided using straight line method so as to expense the cost less residual value over their estimated useful lives (as prescribed in Schedule II to the Companies Act, 2013). Each part of an item of Property, Plant & Equipment with a cost that is significant in relation to total cost of the Machine is depreciated separately, if its useful life is different than the life of the Machine.

iv) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset.

v) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted accordingly.

vi) Gains or losses arising from de-recognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

vii) Assets under lease are be separately specified under each class of assets.

viii) Depreciation is calculated on a straight line basis over the estimated useful lives of the assets as follows:

Description	Useful Lives (Upto)
Factory Building	30 Years
Plant & Machinery	15 Years
Vehicle	8 Years
Office Equipments	10 Years
Furniture & Fixtures	10 Years

(B) Intangible Assets:

i) Intangible Assets that are acquired by the company are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

iii) The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end. Said assets are depreciated on straight line basis based on expected life span of assets which is in accordance with Schedule II of the Act at the rates representing estimated useful life of up to 5 years.

iv) Amortization of Intangible Assets is provided using straight line method so as to expense the cost less residual value over their estimated useful lives (as prescribed in Schedule II to the Companies Act, 2013). Each part of an item of Intangible Assets with a cost that is significant in relation to total cost of the Machine is Amortized separately, if its useful life is different than the life of the Machine.

v) The amortisation period and the amortisation method for intangible asset with a finite useful life are reviewed at each financial year end. If the expected useful of such asset is different from the previous estimates, the changes are accounted for as change in an accounting estimate.

Description	Useful Lives (Upto)
Website Development Expenses	5 Years

(C) Leases:

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease. Initial direct cost incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. The company has classified the Plant & machinery given on lease as operating lease.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of

the lease.

(D) Inventories:

Inventories of Stock-in-trade are measured at cost or market value whichever is lower.

(E) Government Grant:

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attached conditions will be complied with. When the grant or subsidy relates to an expense item, it is netted off with the relevant expense. Where the grant or subsidy relates to an asset, its value is deducted in arriving at the carrying amount of the related asset. However there was no grant received during the year.

(F) Nature and Purpose of Capital Reserve:

The Company has a Capital Subsidy Reserve of Rs. 500,000.00 which was granted by Central Government of India during the Financial Year 1993-94 under Export Oriented Unit Scheme. The purpose of the scheme was basically to boost export by creating additional production capacity.

(G) Borrowing Cost:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. However, there were no borrowing costs incurred during the year.

(H) Provisions, Contingent Liabilities and Contingent Assets and Commitments

i) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.

ii) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

iii) Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognised because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made.

iv) Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent assets are not recognized but are disclosed in the financial statements when inflow of economic benefits is probable.

(I) Financial Instruments:

Financial Assets

(i) Initial recognition and measurement

All financial assets are initially recognized at fair value plus transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

The Company classifies its financial assets in the following measurement categories: (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and (2) those measured at amortised cost. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

Debt instruments: Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories: (1) Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method. (2) Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through statement of Profit and Loss. Interest income from these financial assets is included in other income.

Equity instruments: The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair

value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

Balances of sundry debtors and Creditors at the balance sheet are subject to reconciliation.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial Assets at amortised cost.
- Financial Assets at fair value through other comprehensive income (FVTOCI).
- Financial Assets including derivatives and equity instruments at fair value through profit or loss (FVTPL).
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans and borrowings and payables, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

(ii) Subsequent measurement

Financial liabilities are carried at amortized cost using the Normal interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss

(J) Revenue Recognition

(i) Sale of Goods & Services

The Company derives revenue primarily from trading and leasing activity.

Revenue from contracts with customers is recognised when control of the goods is transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods. The Company is generally the principal as it typically controls the goods before transferring them to the customer. Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods shipped

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional. The Company provides volume rebates to certain customers once the quantity of products purchased during the period exceeds a threshold specified and also accrues discounts to certain customers based on customary business practices. Consideration is determined based on its most likely amount.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

(ii) Interest Income

Interest income from a financial asset is recognised using effective interest method.

(iii) Lease Income

Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease term in accordance with Ind AS 116, Leases.

(iv) Other Operating Revenue

All other income in financial statement recorded on accrual basis.

(K) Employee Benefit Expenses**(i) Short Term Employee Benefits:-**

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period.

(ii) Post-Employment Benefits:-**• Defined Contribution Plans**

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

• Defined Benefits Plans

The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method. The present value of defined benefit is determined by discounting the estimated future cash outflows by reference to market yield at the end of each reporting period on government bonds that have terms approximate to the terms of the related obligation.

The Company provides gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act 1972.

(L) Foreign Currency Transactions

Transactions in foreign currencies are initially recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. However there were no such foreign currency transactions during the reporting period.

(M) Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or in other comprehensive income. In which case, the tax is also recognised in other comprehensive income or equity.

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted by the end of the reporting period.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

(iii) Minimum Alternate Tax (MAT)

MAT liability is being calculated on book profit section 115JB of the Income-tax Act, 1961.

(iv) Uncertain Tax Position

Accruals for uncertain tax positions require management to make judgments of potential exposures. Accruals for uncertain tax positions are measured using either the most likely amount or the expected value amount depending on which method the entity expects to better predict the resolution of the uncertainty. Tax benefits are not recognised unless the management based upon its interpretation of applicable laws and regulations and the expectation of how the tax authority will resolve the matter concludes that such benefits will be accepted by the authorities. Once considered probable of not being accepted, management review each material tax benefit and reflects the effect of the uncertainty in determining the related taxable amounts.

(N) Dividend Distribution

Since company has unabsorbed losses lying in the books, therefore no dividend distributed.

(O) Statement of Cash Flows**(i) Cash and Cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash at banks and in hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(ii) Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the Indian Accounting Standard-7

"Statement of Cash Flows".

(P) Segment Reporting

The Company has reported segment wise information as per Accounting Standard (Ind AS 108). The operating segments are identified on the basis of business activities whose operating results are regularly reviewed by the Chief Operating Decision Maker of the Company and for which the discrete financial information is available.

(Q) Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement. Non-current assets are not depreciated or amortised while they are classified as held for sale. However, there is no non-current assets held for sale at the year end.

(R) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a right issue to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(S) New Standards / Amendments to Existing Standards / Recent Accounting pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

(i) Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Current maturities of Long-term borrowings shall be disclosed separately under the heading Short Term Borrowing
- Security Deposits to be shown under the head of Other Non-Current Assets instead of Long term Loan & Advances
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

(ii) Statement of profit and loss:

Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

3. CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

A) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

B) Recoverability of trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those

receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment. Based on bad debts assessed by Management have been written off.

C) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

D) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

E) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

F) Defined Benefit Obligation:

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

G) Estimation of uncertainties relating to the Global Health Pandemic from COVID-19:

The Company has considered internal and certain external sources of information up to the date of approval of the financial statements in determining the impact of COVID-19 pandemic on various elements of its financial statements. The management has used the principles of prudence in applying judgments, estimates and assumptions and based on the current estimates, the management expects to fully recover the carrying amount of trade receivables, investments and other assets. However, the eventual outcome of the impact of the COVID-19 pandemic may be different from those estimated as on the date of approval of these financial statements owing to the nature and duration of COVID-19 pandemic.
